V-Track precision blade system

8 direction ContourDetect Heads

Follow every contour of your face and neck with 8 directional ContourDetect heads. You'll catch 20% more hairs with every pass, resulting in an extremely close, smooth shave.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

BeardAdapt Sensor

This electric shaver comes complete with a BeardAdapt Sensor that reads the density of your beard. It then auto-adjusts the power for the job at hand. Easy.

SmartClean System

At the touch of a button, SmartClean cleans, lubricates and charges your shaver, keeping it performing at its best, day in, day out.
