

PHILIPS

Electric shaver

Shaver series 500

S586

For a skin friendly shave

More skin friendliness and shaving efficiency*

The new Philips S500 shaver with ComfortCut Blade System and Flexwing tech, designed to stay close to your skin and conquer tricky areas, for a comfortable and efficient shave. (*compared with traditional Philips two headed shaver)

Easy to use

- 45 mins running time
- Anti-slip: ergonomics, streamline design
- Freely rinse under tap water
- 3 level LED Charging display on the handle

A comfortable and efficient shave

- 18 mini-blades, curve-edged shaving head & rounded heads

Less friction and less skin irritation

- Curve-edged shaving head prevents cutting of the skin
- Rounded profile of heads reduce friction against skin
- Skin Protection System reduces skin friction every pass
- The shaver can also be used under shower or with foam

Stay close to your skin

- FlexWing brings you good contour following experience

Highlights

Anti-slip:

Unique carbon fiber frame makes sure the shaver has low weight and is strong, which optimizes handling and suspension.

Flexwing Technology

4 directional, 54 degree* flex, designed to stay close to your skin and conquer tricky areas including jawline and neck.

Wet & Dry

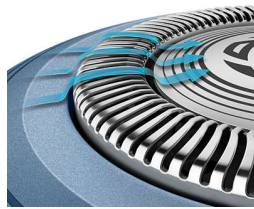

The shaver can also be used under shower or with foam.

ComfortCut Blade System

With 18 mini-blades, curve-edged shaving head & rounded profile of heads, glide smoothly across your skin while reduce skin irritation, designed for a comfortable and efficient shave.

Rounded profile of heads

Rounded profile of heads: reduce friction between skin and shavers significantly, this is designed for a comfortable shave.

1 Hour charging

You'll have 45+ minutes of running time that's about 15 shaves on a one-hour charge. This shaver only operates in cordless mode.

Curve-edged shaving head

Curve-edged shaving head: prevents cutting of the skin, resulting in less skin irritation, this is designed for a comfortable shave.

Skin Protection System

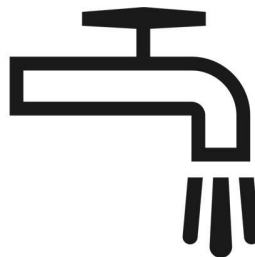

Low cap exposure and rounded floe to reduce skin friction every pass.

Charging display

3 level LED Charging display on the handle

Washable

Freely rinse under tap water.
