Highlights

Skin guard technology

Protective cap that comes between the rotative blades and your face to avoid getting irritation and nick and cuts.

30 minutes of cordless shaving

Shave cordlessly for up to 30 minutes after an 8-hour charge. This shaver only operates in cordless mode.

IPX7 water-resistant

An electric shaver you can clean without worry. The IPX7 rating means it can be safely submerged in up to 1 metre of water for up to 30 minutes.

27 self-sharpening blades

Keeps rotating against the cap to guarantee the blades stay sharp and prevent from irritating your skin.

Ergonomic design

Handle your Philips shaver with confidence thanks to an ergonomic design created for optimum grip.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

ContourFlex

The shaver heads float in different directions for an improved hair catching even in areas difficult to reach.
