Naturally straight hair in 5 minutes*

Ionic care for smooth, shiny hair

Reveal naturally straight, beautifully shiny hair in just 5 minutes. Our SilkProtect technology with ionic care system work together with the bristle design for healthy looking, frizz-free hair.

Ease of use

- Large paddle-shaped brush
- Fast heat-up time
- Ready to use indicator light
- 1.8m cord for maximum flexibility
- Swivel cord

Care and protect

- SilkProtect minimizes heat damage on hair
- Ionic care for smooth, shiny hair
- Argan oil infused ceramic coating
- 3 temperature settings to suit your hair type
- Triple bristle design

Highlights

Triple bristle design

Triple bristle design gently detangles and straightens while protecting your scalp from heat.

Large paddle-shaped brush

The paddle-shaped design to straighten more hair in one go.

Fast heat-up time

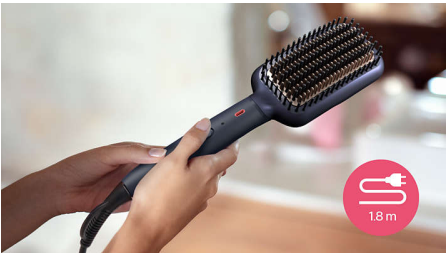

Ready to use in 50 seconds.

Ready to use indicator light

LED light indicates when the brush is ready to use.

1.8m cord

1.8m cord.

Swivel cord

Swivel cord for comfortable use.

3 temperature settings

Three temperature settings (150°C, 170°C, 200°C) to suit your hair type.

Argan oil ceramic coating

The bristles with argan oil infused ceramic coating glide smoothly through your hair for naturally straight and shiny look.
