## 6945 Cordless Razor

Clean Cut, Shaves Close

The Philips Norelco Cordless electric shaver is equipped with a CloseCut shaving system and flexing heads that adjust to every contour of your face. Powered by a lithium-ion battery, this shaver offers the convenience of cordless operation.

### **Designed for comfort**

- Flexing heads follow the curve of your face

### **Easy to Maintain**

- Highly durable blades

### **Corded or Cordless Operation**

- Rechargeable Cordless/Cord: Use anywhere

### **Smooth, close shave**

- CloseCut shaving system offers an even shave

### **Travel-friendly design**

- Worldwide voltage adjusts automatically

## Highlights

### CloseCut shaving system

The Philips Norelco 6945 Cordless Shaver features the CloseCut system for a precise, close shave.

### Flexing shaving heads

The flexing heads adjust automatically to every curve of your face for a smooth skin without irritation.

### Rechargeable Cordless/Cord

Since the Philips Norelco 6945 offers the convenience of corded or cordless operation, you can take it with you wherever you go. A full eight-hour charge will last for up to 10 days (or 30 minutes) of cordless shaving. A battery indicator lets you know when it's time to recharge.

### Great for travel

Great for travel, the Philips Norelco 6945 features a protective cap for safe portability. It has a worldwide voltage function that adjusts from 100 to 240 volts AC, making it ideal for international trips.

### Replacement blades

To get the closest shave possible, replace the blades with HQ56 replacement heads every 12 months.
