Great skin protection, smooth shave

Enjoy a refreshing shave without damaging your skin. The low-friction protection caps adjust to the curves of your face. For even more skin comfort, use it wet with your preferred shaving gel or foam.

Shave smooth

- Shaves even the shortest stubble
- For a comfortably close shave

Protect your skin

- Glides smoothly over the curves of your face
- DynamicContour Response

Use wet with shaving gel for skin comfort

- Wet & Dry Use

Highlights

Skin Protection System

Rounded low-friction protection heads adjust to the curves of your face to limit skin damage.

Wet & Dry Use

Shave wet with gel or foam for extra skin comfort or use dry for convenience.

DynamicContour Response

Heads automatically adjust to every curve of your face to cut hairs safely even in the difficult to reach areas.

DualPrecision Cutting

DualPrecision shaving heads have slots to shave the normal hairs and holes to shave even the shortest stubble.

Super Lift & Cut Action

For a close shave, the dual blade system built into the Philips electric shaver, lifts hairs to cut comfortably closer.
