Highlights

PowerCut Blades

The Philips shaver for a clean and comfortable finish. Its 27 PowerCut blades cut each hair right above skin level, giving you a smooth and even shave, every time.

4D Flex Heads

The shaver designed to maintain even contact with your skin without nicking it. The 4D Flex Heads flex and float in 4 directions for a clean shave every time.

27 self-sharpening blades

The 27 self-sharpening blades on this electric shaver have been precision-engineered for a consistently clean shave.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

45 minutes of cordless shaving

Shave cordlessly for up to 45 minutes after a 1-hour charge. Or shave with the power cord plugged in when the battery is empty.

Pop-up trimmer

Refine and define your mustache and sideburns with the pop-up trimmer—and complete your look with ease.

Corded and cordless use

Use your convenient cordless shaver for tangle-free grooming. Or plug it in for a reliable corded shave when the battery is empty.

1-level battery indicator

Use the intuitive indicator to see when the shaver battery is running low, empty, or fully charged.

Ergonomic design

Handle your Philips shaver with confidence thanks to an ergonomic design created for optimum grip.

5-minute quick charge

In a hurry? Just plug in your shaver for 5 minutes and get enough power for 1 full shave.
