Advanced skin protection

Philips Norelco Series 6000 delivers a clean shave while reducing skin irritation. Only Philips Norelco has ComfortGlide™ rings, a special protective coating with skin gliding properties to protect your face from redness and irritation.

Skin comfort

- Blades capture hair in fewer passes for a smooth shave
- Click-on Trimmer for use on mustache and sideburns
- Heads flex in 8 directions to catch hard-to-reach hair

Shaving performance

- ComfortGlide rings protect your face from irritation
- Replace shaving heads every 12 months for best performance

Ease of Use

- Shaver can be rinsed clean under the tap
- Skin Guard Mode protects your skin for less irritation
- LED display with intuitive icons
- Get a convenient dry shave or a more comfortable wet shave
- Fully charges in 1 hour or use 3-minute quick charge
- Comfortably trims unwanted nose and ear hair
- 50 minutes of cordless shaving once fully charged

Highlights

ComfortGlide Rings

Shaving heads are surrounded with ComfortGlide rings, which have a special protective coating with skin gliding properties to shield your face from irritation. Series 6000 offers 10x better protection than the best-selling blade.

SkinProtect Blades

72 self-sharpening SkinProtect blades gently capture hair in fewer passes, leaving your face smooth and comfortable.

MultiFlex Heads

Heads flex in 8 directions to follow the curves of your face, even catching hair in hard-to-reach areas like the neck and jaw line.

Shave wet or dry

Get a convenient dry shave or a more comfortable wet shave with gel or foam – even in the shower.

Click-on Precision Trimmer

Click on our skin-friendly Precision Trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

Skin Guard Mode

Activate the guard mode to adjust to a lower rotational speed for a more gentle shave.

50 minutes of cordless shaving

Shave longer with every charge, thanks to a powerful and long-lasting Lithium-ion battery. You'll have 50 minutes of shaving time – that's about 17 shaves – on a one hour charge. This shaver only operates in cordless mode.

1-hour charge time

Shave longer with every charge, thanks to our powerful, long-lasting lithium-ion battery. A quick 3-minute charge provides enough power for one shave.

LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator - Unplug for use indicator.

Click-on nose trimmer

Comfortably removes unwanted nose and ear hairs. A powerful, easy trim with no pulling guaranteed.

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

Replacement Blades

For best shaving performance, replace your shaving heads every 12 months. Use SH60 replacement heads, sold separately.
