Highlights

Non-spill spout

Patented valve controls flow to avoid spillage, even if held upside down or if left on its side.

Dishwasher safe

All parts are dishwasher safe for convenience

Entire cup can be sterilized

Entire cup can be sterilized for hygiene purposes

Measurement on cup

Measurement scale on the cup for easy preparation of your child's drink

Hard spout 12m+

A bite resistant spout for children confidently drinking from cup, ideal for teething babies

Flip-top lid keeps spout clean

The flip-top lid always gives you hygienic reassurance keeping the spout clean at home and when on the go.

Educational storytelling design

The colored designs encourage fun learning: recognize animals and fruits, count the apples and discover where the food comes from. The complexity of the designs increases with the age of the child.

Completely interchangeable

Cups, spouts and handles can be used with the entire Philips Avent range, attach directly to breast pumps or use a nipple instead of the spout when feeding. The soft spout and handles can also be put on the feeding bottle for an easy transition from bottle to cup
