 Product Picture

Designed for Comfort

Breast pump inspired by nature

The unique Philips Avent BPA Free breast pump is designed with an electronic memory that puts you in control by learning and continuing your personal pumping style.

Benefits and features:

- Learns and continues your pumping rhythm

Helps you breastfeed longer

- More milk, naturally

Stimulate and Express

- Soft massage cushions trigger natural let-down, like baby
- Gentle vacuum mimics baby's suckling for steady milk flow

Use three ways

- By mains power, battery power and manual

Highlights

Mains, battery and manual

In addition to mains power, this single electronic pump can also operate using battery power and as a manual pump, for total flexibility.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Learns and continues your pumping rhythm

Electronic memory learns and at the touch of a button, continues your personal pumping rhythm.

More milk, naturally

Expression allows breast milk to be available, even when you can't be there

Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.
