The adapter ring is one part of the Avent two piece anti-colic system. This consists of the ring and a silicone teat. As your baby feeds, the unique skirt on the teat flexes to allow air into the feeding bottle instead of your baby's tummy.

Ease of using Philips spare parts

- Easy renew your product with original Philips parts

Highlights

Easy renew of product parts

From time to time your product needs a facelift but it was never so easy like with Philips consumer replacement parts to renew your product. This all with guaranteed Philips quality.
