### Trim it down

Trim to your preferred stubble length. Your Philips OneBlade comes with a precision comb with 12 lengths that you can use to create everything from a 5 o'clock, to a tight trim, to a longer beard style.

### Edge it up

Get precise lines in seconds with the dual-sided blade that enables you to see every hair you're cutting.

### Shave it off

The OneBlade shaver doesn't shave as close as a traditional blade, ensuring your skin stays comfortable. Go against the grain and shave off any length of hair easily.

### Durable OneBlade

Easily replace your blade once every 4 months\* for optimal performance. A green usage indicator will appear once the blade is worn out.
