For tiny babies

- Extra-small and lightweight for tiny babies

Quality assured

- Made at our award-winning site in the UK

Comfortable soft silicone teat

- Designed for natural oral development

Safety and Hygiene

- Security handle for easy removal
- Snap-on cap helps keep your baby's soother clean

Highlights

Extra small and lightweight

Mini Soother's shield is extra-small and lightweight for tiny babies up to 2 months old.

Orthodontic teat

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Made in the UK

You can be sure that your little one's comfort is in good hands. This soother was made at our award-winning site in the UK.*

Security handle

Our security handle lets you easily remove your baby's soother at any time. Even little hands can grab it!

Snap-on cap for hygiene

When the soother isn't in use, simply snap on the cap before storing to keep the teat safe and clean.

Easy to sterilise

Keeping your little one's Soothies and soothers clean is easy. Simply put them in your steriliser or submerge in boiling water.
