- Single button release to quickly switch accessories
- Anti-splash blade guard to prevent splashes while blending
- Easy to clean

Easy nutrition

- Take healthy smoothies with you in the on-the-go tumbler

PHILIPS

Highlights

800 Watt motor

Our powerful and durable 800 Watt motor delivers all the power you need to prepare your favorite healthy and homemade meals in just minutes.

ProMix blending technology

Philips partnered with Stuttgart University to develop ProMix for faster and more consistent blending. Its unique, advanced technology is shaped like a triangle to deliver optimal food flow and maximum performance with best results every time.

SpeedTouch Technology

Want more power while you blend? Just squeeze the turbo boost button. Its intuitive variable speeds let you easily increase power

without switching settings. Start slowly to prevent splashing and gradually squeeze harder until you reach the speed you need for each recipe and ingredient.

Single button easy release

When you're cooking up a storm, you'll love how easy it is to switch accessories. They quickly attach and detach to the blending bar with one press of a button.

Anti-splash blade guard

Don't worry about any messes when you cook. Our special blade guard will stop splashes big and small. Its waved shape attached to the bottom of the blending bar guarantees minimum mess — and less clean-up later.

Easy to clean

Easy to clean

Whisk accessory

Get adventurous with our single whisk accessory. It's just what you need to make frothy whipping cream, smooth mayonnaise, perfect pancake batter and more.

XL chopper

Save time and energy hand-chopping harder ingredients like fruit and meat. Our Philips XL Chopper will do the hard work for you so you can easily prepare delicious salsas and salads, chop fruits or grind large quantities of meat.

On-the-go tumbler

To make life easier, blend your favorite smoothies directly in the Philips on-the-go tumbler. Just blend, seal and go. Made with BPA free materials, blender includes a built-in anti-leakage seal so you can safely take it with you, with no spills.
