- one nozzle

ADD4961WH/56

Cold and hot water made easy

With compressor cooling technology, this bottled water dispenser produces cold water efficiently. It also comes with child lock for hot water, keeping children safe from accidental hot water burns.

Benefits

Thoughtful design for your convenience

- Compressor cools water efficiently
- Wide dispensing area fits various sizes of containers

Safeness assured

- Child lock to prevent hot water burns

Features

Child lock for hot water

Child lock for hot water keeps children safe from accidental hot water burns.

Wide water dispensing area

Wide dispensing area easily fits various sizes of cup, glass, bowl and even pot.

Compressor cooling

Compressor cooling produces cool water more efficiently and faster, compared to conventional thermoelectric cooling.
