Highlights

UV-C LED technology

A clean and odor-free bottle, thanks to the UV-C LED technology which prevents smell from growing by destroying the DNA of odor-causing bacteria. It's also a portable water purification device and perfect for outdoors and traveling - it provides safe drinking water by eliminating up to 99.999% of waterborne pathogens.*

Automatic self-cleaning

The UV-C LED light automatically activates every 2 hours to keep your bottle clean and water fresh.

Magnetic USB easy recharge

The battery lasts for up to 1 month, and can easily be recharged with the magnetic USB cable.

Economical and eco-friendly

Safe drinking water anytime and anywhere, without the cost or the waste of bottled water.

Keeps drinks hot and cold

Double-wall vacuum insulation keeps the cold drinks cold and hot drinks hot for hours.

Food grade stainless steel

The bottle is made of 18/8 food grade stainless steel. Durability and safety guaranteed.

Dishwasher-safe

All parts are dishwasher-safe (max. 50 degree Celsius) except for the filter and the cap.
