Hassle-free

- Dishwasher-safe
- Timer reminds you when to replace the filter

PHILIPS

Hydration bottle
20oz/590ml Instant filtration, BPA-free LDPE, Grey

AWP2723BLO/37

Highlights

Adventure filter

Powered by innovative electro-adsorptive filter media, the Adventure filter removes up to 99.999%* of waterborne pathogens from the water, so that you have access to safe drinking water anywhere, anytime**. It also reduces particulates, chemicals and heavy metals. Simply fill the bottle, squeeze and drink!

Dust-proof

The bottle comes with a dust-proof cap, so that the mouthpiece stays clean.

Leak-proof

The leak-proof design ensures that the water doesn't spill inside your bag.

Dishwasher-safe

All parts are dishwasher-safe (max. 50 degree Celsius) except for the filter.

Filter replacement reminder

Timer reminds you when to replace the filter for the best result.

Fitness filter

Made of innovative activated carbon fiber, the Fitness filter removes up to 99%* of chlorine and other taste impairing substances without compromising the water flow. Simply fill the bottle, squeeze and drink!

* *Based on test result by international testing and certification agency SGS under laboratory conditions.
**Always use the clearest and most reliable water source possible.
Stated filtration performance and life time is conducted under laboratory conditions. The effectiveness may be limited by the environmental or hygienic conditions that could cause the recontamination of water after filtration.
