# Highlights

## Unique adjustable head

The innovative adjustable head means you can smooth creases at any angle, giving you the option to steam vertically or horizontally - whichever you choose!

## Pointed steam plate tip

The steam plate features a pointed tip so you can easily smooth creases with extra precision in hard-to-reach areas like buttons, collars and pleats.

## Ready to use in 30 seconds

Whenever you need it, your steamer is ready to use in just 30 seconds. The light indicates when you are ready to start so you're finished in no-time. Ideal for those last minute outfit decisions.

## OptimalTEMP technology

OptimalTEMP technology guarantees no burns on any ironable fabric, so you can enjoy worry-free steaming.

## Up to 28g/min continuous steam

Up to 28 g/min of continuous powerful steam relaxes fabric fibres so creases can be smoothed quickly, ensuring your garments look their best.

## 100 ml detachable water tank

100 ml detachable water tank to steam up to 1 full outfit without the need to refill. The water tank is easy to remove and refill whenever you need during steaming.

## Kills 99.9% of bacteria\*

Besides de-wrinkling, 7000 Series also refreshes clothes (and soft furnishings, curtains, toys) and removes odors by killing up to 99.9% of bacteria\*.

## 2 Steam settings

2 steam settings: ECO mode to save water without compromising on steaming results, MAX mode to provide more steam power.

## No ironing board needed

7000 Series has a compact design making it the perfect on-the-go solution to steam your clothes anytime, anywhere. No ironing board needed.
