

# PHILIPS

## AVENT

### Manual Breast Pump

#### Easy express

SCF430/01

## Comfortable pumping, wherever you go

### Natural Motion Technology, for quick milk flow

Enjoy the gentle comfort of the Philips Avent portable manual breast pump. With Natural Motion Technology, inspired by baby's own suckling action for a quick letdown. You can easily adjust rhythm and vacuum. Fits practically all nipples.

#### Easy to clean

- Easy to clean and set up

#### Comfortable expression

- Easily triggers milk release before or between feeding
- Express without leaning forward
- Choose your rhythm, follow your milk flow

#### Portable and convenient

- Ideal for moms who pump on-the-go

#### Simple, gentle and effective

- One-size soft adapting silicone cushion
- Helps you release milk fast

# Highlights

## Fast milk release

A unique, portable manual breast pump – ideal for mothers who need to gently release their milk while away from home, or before breastfeeding.

## Easy to clean and set up

Because there are only a few parts, our new pump is easy to set up and clean.
