Highlights

Self-sharpening blades

The self-sharpening steel blades on the Philips 3000 beard trimmer stay as sharp and effective as on day 1 to deliver a perfect yet protective trim, time after time.

60-min cordless use

Charge your trimmer for 8 hours with your USB cable to get 60 minutes of cordless use.

USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

Choose any of the 5 looks

You can choose from the 1-mm stubble comb or any of the 3-mm, 5-mm or 7-mm beard combs to get the beard length you want. Alternatively, you can remove the comb and get the zero trim look of 0.5 mm.

Battery indicator

The green light on the adapter lets you know when your device is charging.

Skin-friendly blades

Designed to prevent scratches and irritation, the blades have rounded tips for smoother skin contact.

Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

Easy to clean

Detach the head and use the brush included to sweep away loose hairs for easy dry cleaning. No oiling required.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Built to last

We back this Philips trimmer with a 2 year guarantee: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages. *This product can be used to cut hair, but for best results use a Hair Clipper or Multigroom from the Philips grooming range.
