- 50% smaller steam particles reach deeper into tough creases
- SteamGlide soleplate is Philips premium soleplate
- Continuous steam output up to 40 g/min
- Steam boost up to 170 g

# PHILIPS

# Highlights

## Ionic DeepSteam

The ionisation process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

## Up to 40 g/min of steam

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

## Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

## Steam tip

The unique steam tip of this Philips iron combines a particularly pointed front of the soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

## Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

## Steam boost up to 170 g

The steam boost can be used for vertical steaming and tough creases.

# Specifications
