21 tools & accessories

This all-in-one trimmer offers 21 tools and accessories for all your grooming needs. Conveniently trim and style your facial hair, clip your hair and groom your body.

Precision beard styling

The trimmer and its multi-guard set offer 19 length settings from 0.5 to 16 mm in up to 0.2 mm precision steps for shorter and longer beard styles. The narrow design of the precision trimmer attachment makes it easy to create sharp edges and fine details. The precision shaver attachment cleans up cheeks, chin and neck to finish your look.

Comfortable body grooming

Shave comfortably below the neck with our body shaver attachment. A unique skin-protection system guards sensitive areas while you shave as close as 0.5 mm. You can also efficiently trim body hair with the click-on guards (3 mm, 5 mm).

Fast hair clipping

Hair trimming is 30% faster* thanks to an extra-wide 41 mm stainless steel hair clipper that cuts more with every stroke. Create any hairstyle with extra-wide hair guards and 2 ear-taper guards for evenly blended tapering.

Nose/ear/eyebrow trimming

The nose/ear trimmer attachment removes unwanted nose and ear hair quickly and safely. Easily keep your eyebrows neat and tidy with the dedicated eyebrow comb.

Precision trimming guard

Select length settings in 0.2 mm steps from 1 to 3 mm for a precise trim to the exact length you want.

Self-sharpening steel blades

Stainless steel blades remain sharp as day one for long lasting performance. No oil required.

BeardSense technology

The smart trimmer scans the beard density 125x per second and boosts power exactly when you need it to tackle also dense, bushy or longer beards.

Up to 6 hours of runtime

A powerful lithium-ion battery provides up to 6 hours of runtime with 5-minutes quick charge option for long life and maximum power.

100% showerproof

The trimmer is water resistant, so you can use it comfortably in the shower and clean it easily under the tap.
