Highlights

Button groove

The button groove makes ironing along buttons and seams fast and easy.

Pointed tip

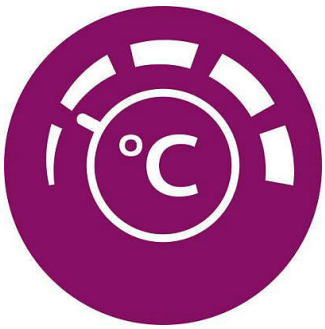

The uniquely pointed tip allows you to iron even the hardest to reach areas.

Iron temperature-ready light

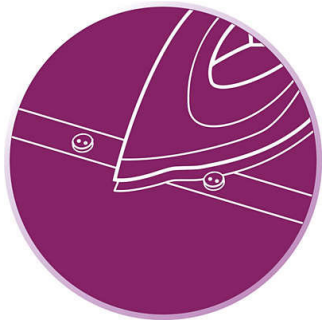

Indicator light goes off when the required ironing temperature has been reached.

Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Slim tip soleplate

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the solepalte temperature has reached the set level.

Easy storage

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Linished soleplate

This iron features a high-quality linished aluminum soleplate for long-lasting performance.

Tested design for durability

This design has been tested under rigorous quality measures to provide long-lasting performance

Long lasting cord

The quality long-lasting cord ensures long lifetime performance
