SteamGlide Plus soleplate

DST7020/20

Steam performance, guaranteed

Thanks to our improved steam boost

Long lasting performance with Quick Calc Release and SteamGlide Plus soleplate with enhanced scratch resistance.

Fast and powerful performance

- Up to 250 g steam boost blasts stubborn creases
- 2800W for quick heat-up and powerful performance
- Steam output up to 50g/min for faster crease removal

Easy and Comfortable ironing

- Drip-stop system keeps garments spotless while ironing
- Less refilling with extra-large 300 ml water tank
- Vertical steam
- Easy temperature control

Smooth gliding on all fabrics

- SteamGlide Plus soleplate

Long-lasting performance

- Quick Calc release

PHILIPS

Highlights

Steam boost up to 250 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Quick Calc release

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

Continuous steam up to 50g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

Drip stop system

Our drip-stop system prevents leakage to avoid stains from water droplets and iron with confidence at any temperature.

2800 W to heat up quickly

Delivers a fast warm-up and powerful performance to get your ironing done quickly.

SteamGlide Plus soleplate

Our SteamGlide Plus soleplate delivers great gliding performance on all garments. Great scratch and wear resistance, non-stick and is easy to clean.

300 ml Water tank

Fewer refills are required thanks to a large 300 ml water tank, allowing you to iron more clothes in one go.

Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Variable steam settings

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.
