- Input water quality: Municipal tap water

General specifications

- Filtration capacity: 1200L

Country of origin

- Filter cartridge: Japan

Highlights

Easy filter replacement

Effortlessly replace the expired filter with a new one with a simple twist.

X-Guard Ultra filter

By adopting the innovative activated carbon fibre and hollow fibre membrane, this X-Guard Ultra filter effectively reduces chlorine, lead, pesticides, microplastics and particles down to 0.1 micron. It also filters up to 99.99% of bacteria.

Economical and eco-friendly

Great tasting water at a fraction of the cost and waste of bottled water.
