Highlights

3 steps: fill, twist and press

3 easy steps to make fresh sparkling water at home: fill, twist and press!

BPA-free material

BPA-free material.

Dishwasher-safe bottle

The full stainless steel bottle is dishwasher safe.

Premium material

Premium full stainless steel material elevates your carbonation routine.

Less plastic waste

One CO2 cylinder makes up to 60 litres of delicious sparkling water, replacing 120 single-use plastic bottles.*

Full stainless steel carbonating bottle

Unlike PET carbonating bottles that need to be replaced regularly, our full stainless steel bottle is durable and lasts for years to come, further reducing plastic waste.
