# Highlights

## Micro X-Clean Softening+

Enjoy crisp and pure tasting water, as well as flavourful hot and cold drinks. The Philips Micro X-Clean Softening+ filter reduces chlorine, limescale, heavy metals and emerging contaminants such as microplastics, in addition to PFOA and PFOS.\*

## Better protection

With 50% more ion exchange resins, the Philips Micro X-Clean Softening+ filter provides enhanced water softening for hard water areas, which provide you crisp and pure-tasting water, as well as flavourful hot and cold drinks. It also helps to prolong the life of your kettle by preventing limescale build-up.

## BPA-free

Made from food-grade material which is certified BPA-free; safe for use for both adults and children

## Economical and eco-friendly

Great-tasting water at a fraction of the cost and waste of bottled water.

## Great compatibility

Compatible with Philips water filter jugs that use an oval-shape filter. Also compatible with BRITA\*\* MAXTRA\*\*, MAXTRA+\*\*, PerfectFit\*\*, and many drop-in oval-shape filter jugs.
