

Philips
Filter cartridge

AWP225

Next-generation instant water filter

2X more filtered water, 4X faster*

Powered by the highly porous activated carbon fibre, Philips Micro X-Clean Instant filter turns tap water into crisp and pure tasting water by reducing chlorine, lead, pesticide and microplastics.

Crisp and pure tasting water

- Turns tap water into crisp and pure tasting water

Good for you, and good for the environment

- Prolongs the lifetime of kitchen appliances
- Delicious water at a fraction of the cost of bottled water

PHILIPS

Specifications

Filtration performance

- Microplastics reduction

Input water conditions

- Input water quality: Municipal tap water
- Input water temperature: 2-38 °C
- Input water pressure: (atmospheric) 0-1 bar

General specifications

- Product Dimension (LxWxH): 46*46*115 mm
- Water flow rate: 1L/min*
- Filter lifetime: 1 month
- Filter quantity: 3-pack

Country of origin

- Filter cartridge: Made responsibly in China

Highlights

Economical and eco-friendly

Great tasting water at a fraction of the cost and waste of bottled water.

Micro-X-Clean Instant filter

Powered by the innovative activated carbon fiber, which has more efficient absorption due to its highly porous structure, Micro X-Clean Instant filter achieves 4X faster flow than a filter pitcher*, while maintaining the same filtration performance.

Prevents limescale build-up

Prolongs the lifetime of kitchen appliances by preventing limescale build-up.
