Highlights

Micro X-Clean Alkaline filter

Blended with natural mineral rocks and granular activated carbon, the filter firstly reduces chlorine, lead, chemicals, and microplastics, then infuses the water with minerals such as magnesium and turns it alkaline*

BPA-free

Food grade material passed BPA-free certification, it will be safe and healthy for both adult and children

Economical and eco-friendly

Great tasting water at a fraction of the cost and waste of bottled water.

Great compatibility

Compatible with Philips water filter jugs using an oval shape filter. Also compatible with BRITA** MAXTRA**, MAXTRA+**, PerfectFit**, and many drop-in oval shape filter jugs.
