# Highlights

## Child lock for hot water

Child lock for hot water keeps children safe from accidental hot water burns.

## Dual heating powers

Dual powers for your selection - 350W high power for fast boil, and 170W low power to save energy.

## Z-shape water pipe

The 304 stainless steel water pipe is anti-rust, and the Z-shape helps to reach the bottom of the bottle so that there's no remaining water.

## Cold water made easy

Refreshingly cool water comes at a press of the paddle. Enjoy your delicious cold gulp in hot weather.

## Hot water on demand

The fresh hot water comes at a press of the button, perfect for your cup of coffee, tea or even instant soup or noodles.

## Bottom loading

Easy bottle replacement with bottom loading design. Say goodbye to heavy lifting!

## Water shortage indicator

Water shortage indicator reminds you of on-time bottle replacement and protects the dispenser.
