Highlights

Flip & Juice™ Technology

New Philips Flip & Juice Blender is our first high speed blender with juicing module. Thanks to revolutionary jar design and integrated filter, you get your drink with a texture adjusted to your family's preferences. From perfectly silky smoothies to clear or pulpy juices, our most advanced blender offers the widest variety. It combines blending and juicing in one solution, saves space in your kitchen.

ProBlend Ultra Technology

ProBlend Ultra technology combines 3 features custom-designed to work perfectly together for ultimate variety of taste and texture just as you like it every time.

ProBlend Ultra jar

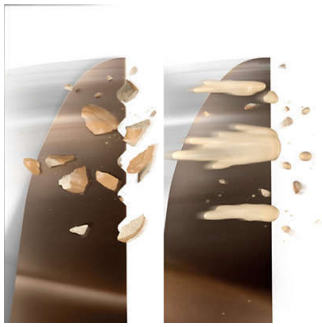

ProBlend Ultra jar is designed with one-of-a-kind ribs to continuously guide ingredients back into the blending flow, so that all ingredients are back in the blade area for optimal blending results

ProBlend Ultra motor

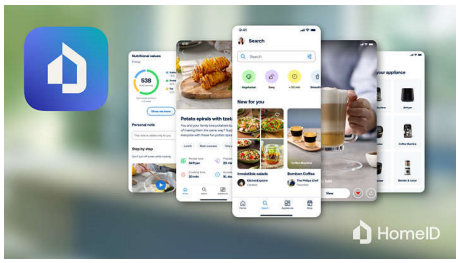

ProBlend Ultra technology combines 3 features custom-designed to work perfectly together for ultimate variety of taste and texture just as you like it every time. ProBlend Ultra motor with 1500W power drives the blending flow and evenly circulates all ingredients.

ProBlend Ultra blades

ProBlend Ultra blades are uniquely designed with a combination of a serrated blade, for crushing hard ingredients into smaller pieces, and sharp blades for slicing them into the finest texture.

HomeID app

Download the HomeID app and discover hundreds of recipes for your new blender, including fresh ideas for drinks, snacks, desserts, or even whole meals. Making healthy food choices has never tasted so good, with simple but flavourful twists on all kinds of family favourites. From healthier chocolate desserts to nutritious main courses, HomeID has recipes you'll love.

Quick select programs

Quick select programs on digital display are defined with time and speed setting so that your favorite recipes are at your fingertips. They include; clear juice, pulpy juice, smoothie, nut-butter, dessert, soup, sauce as well as ice-crushing and cleaning functions.

Quick cleaning function

Activate cleaning function with a small amount of water and dish soap, enjoy hassle-free cleaning in just 2 minutes. Cleaning function removes even the stubborn residue like cake batters and nut butters.

Dishwasher-safe parts

All detachable parts are dishwasher safe. ProBlend Ultra Blade is specially designed to prevent food particles getting trapped underneath the blades for easier cleaning.
