Highlights

120" (305cm) image size
Enjoy the biggest mobile screen you ever had
and share your HD media content wherever
you want. With your PicoPix you are carrying
a personal cinema in your pocket.

Internal battery
The PicoPix comes with a compact built-in
rechargeable battery for long-lasting power.
Up to 2 hours of continuous movie, photo and
music playback enjoyment can be achieved
on a single charge. This makes the PicoPix
your perfect pocket companion.

LED-Technology
Your pictures and videos deserve the best
quality when it comes to sharing them with
those around you. This is why the PicoPix
pocket projector uses high quality LED
technology to project your pictures and videos
in brilliant colours and breathtaking contrast.

Office viewer
The integrated MP4 Media player supports all
common video and audio formats. This makes
the PicoPix pocket projector a standalone
device. The office viewer also allows you to
share all common office files and pdf files.

Pocket companion
With a weight of only 270 g and a slim design
your PicoPix pocket projector becomes your
lightweight companion for business and
private use.

Connections
The PicoPix pocket projector is offering quite a
number of connections for your appliances.
USB, HDMI, VGA, Component, Composite,
SD/SDHC slot and a 3.5 mm Audio output are
at your disposal for unlimited entertainment.
