- Fully Connected (HDMI, USB, VGA or MicroSD)
- Make It smart!

Sound everywhere

- Built-in stereo speakers for crystal clear sound
- Audio jack

Highlights

Advanced LED Light Source

The powerful LED light source displays rich, vivid colors and will last up to 30,000 hours. You won't need to replace it, it lasts 20 years if used 4h per day! In addition, the power consumption is far lower than a regular lamp based projector: a bigger screen, an immersive experience with an eco friendly device!

Customize your projection

Place the product where ever you want! The keystone correction combined with the focus technology allow you to fine-tune images to your needs and place your projector at any distance.

Project images up to 80"

Project images and videos up to 80" (200cm) from less than 2 meters from the wall.

Built-in Media Player

Pop your essentials in your hand with the integrated Media Player: Browse, watch all your videos, listen to your music or share your latest holidays pictures.

Fully Connected

Connect any multimedia devices such as set top boxes, PC, MAC, gaming consoles, and streaming devices like Fire Stick or Apple TV with the USB, HDMI or MicroSD ports.

Make It smart!

Access to unlimited content by connecting to any smart gaming console or TV boxes like Fire Stick or Apple TV.

Audio jack

Connect any headphones or external powered speakers with the built-in 3.5 jack.

Built-in stereo speakers

No need for extra sound system, the built-in stereo speakers produce deep room-filling sound perfect for movies at home.
