Pocket projector

PicoPix

100 lumens

PPX4010

## Project your life

### PicoPix pocket projector

This 100-lumen, ultra-portable PicoPix is one of the most compact projectors available on the market — smaller than a PC mouse, it is the perfect companion for everyday business. It can also be connected to any notebook or tablet with a HDMI cable.

#### Excellent image quality

- SmartEngine with LED technology
- Project HD videos, images and presentations up to 120 "

#### High usability

- Easy connection via HDMI

#### Ultra portable

- Perfect pocket companion weighing only 83 g/2.93 oz
