# Highlights

## 4K Ultra HD

With four times the resolution of conventional Full HD, Ultra HD 4K lights up your screen with over 8 million pixels. Enjoy crisp details, vivid and true to life colors when watching sports, games, and streaming content.

## AirMote

Easily navigate thanks to the intuitive AirMote control by pointing or using gestures to pick and choose what you want to watch.

## Bluetooth BoomBoxes

Play your music directly on the projector. Use your Screeneo as a Boombox by connecting your smartphones or any other Bluetooth device to enjoy big sound.

## Built-in Media Player

Pop your essentials in your hand with the integrated Media Player: Browse, watch all your videos, listen to your music or share your latest holidays pictures.

## Fully Connected

The Screeneo S Collection comes with all the connectivity you need. Wi-Fi, Bluetooth, USB, HDMI, SPDIF, Connect your game consoles, Blu-ray player, smart boxes or set top boxes to enjoy all your contents.

## HDR for advanced contrast

High Dynamic Range is the new video standard that redefines in-home entertainment through advances in contrast and colour. With HDR 10, enjoy a sensory experience that captures the original richness and liveliness, yet accurately reflects the content creator's intent.

## Perfect image

Get a perfect picture, automatically and straight out of the box with the Auto Keystone, Auto focus. Because you don't always place your projector in front of the wall, we added a 4 corners correction to fine tune your image and get a perfect fit even if your device is up to 45 degrees on your right or left side.

## Smart Android OS for apps

Take full advantage of an endless entertainment with Android OS. All your favorite apps are pre-installed, out of the box. Enjoy Youtube, Netflix and more!

## Superior Stereo Speakers

No need extra sound bar or home-cinema! The Screeneo S Collection provides endlessy vibrant, clear, and powerfull sound with deep bass.
