Highlights

Advanced LED Light Source

The powerful LED light source displays rich, vivid colors and will last up to 30,000 hours. You won't need to replace it, it lasts 20 years if used 4h per day! In addition, the power consumption is far lower than a regular lamp based projector: a bigger screen, an immersive experience with an eco friendly device!

Customize your projection

Place the product where ever you want! The keystone correction combined with the focus technology allow you to fine-tune images to your needs and place your projector at any distance.

Project images up to 65"

Entertainment in every room, project anything up to 65" (165cm) diagonal.
