# Highlights

## 120" (305cm) image size

Enjoy the biggest mobile screen you ever had and share your HD media content wherever you want. With your PicoPix you are carrying a personal cinema in your pocket.

## Internal battery

The PicoPix comes with a compact built-in rechargeable battery for long-lasting power. Up to 2 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. This makes the PicoPix your perfect pocket companion.

## LED-Technology

Your pictures and videos deserve the best quality when it comes to sharing them with those around you. This is why the PicoPix pocket projector uses high quality LED technology to project your pictures and videos in brilliant colours and breathtaking contrast.

## Office viewer

The integrated MP4 Media player supports all common video and audio formats. This makes the PicoPix pocket projector a standalone device. The office viewer allows you also to share all common office files and pdf files.

## Pocket companion

With a weight of only 270g and the slim design your PicoPix pocket projector becomes your lightweight companion for business and private use.

## Connections

The PicoPix pocket projector is offering quite a number of connections for your appliances. USB, HDMI, VGA, Component, Composite, SD/SDHC slot and a 3.5 mm Audio output are at your disposal for unlimited entertainment.
