# PHILIPS

# Highlights

## Cleaning brush

The cleaning brush helps to easily clean your appliance after use. Please follow the quick start guide included in the packaging to clean the appliance.

## Cadmium-free battery

The rechargeable battery of your Philips appliance is cadmium-free, which makes it a safer choice for the environment.

## Cutting power

The superior cutting power will give you a superior fabric shave quickly and effectively.

## Longer blades

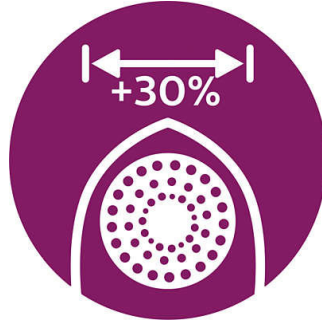

The longer blades, along with the bigger shaving head, make sure you cover a larger area at once.

## Rechargeable

Recharge your Fabric Shaver easily with the power plug in 8 hours. A red light indicates

that the device is charging. Once the device is fully charged a blue light will indicate that it is ready for use.

## Specially designed head

Specially designed shaving head with a larger surface to shave more pills more quickly and a pointed tip to guide you through the most difficult areas.

## Cord and cordless operation

Can be used with or without cord

## Double safety lock

The double safety lock will ensure you are safe while removing fabric pills and cleaning your device

## Convenient storage bag

Includes a bag for convenient storage after use

## Large removable pill container

The container, where the shaved off pills are stored, is easy to remove and empty.

## Special height adjustment cap

The special height adjustment protection cap with 3 settings will enable you to remove fabric pills even from the most delicate garments.

## 3-sized holes mesh

3-sized hole mesh to shave more fabric pills at once.
