Highlights

Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Rubberized brush head

Rubberized brush head is designed to protect young teeth

KidTimer

Increases brushing time slowly over 90 days, building towards the dentist recommended 2 minutes

Power modes

2 Kid-friendly power modes adapts to different ages providing a gentle cleaning that's ideal for different ages. There is a low mode for ages 4 and up and high mode for ages 7 and older

Age-appropriate brush heads

This Philips Sonicare electric toothbrush has 2 brush head sizes that are specifically designed to gently clean and protect teeth at key developmental stages

KidPacer

KidPacer encourage kids to brush their entire mouth effectively for the dentist-recommended 2 minutes

Interchangeable panels

Allows kids to customize their toothbrush

Anti-roll shape

Sturdy handle design allows kids to store upright as well as apply toothpaste while the toothbrush is laying flat.

Multi grip design

Ergonomically designed to enable parents and kids to brush together or own their own
