

Philips  
TriActive Z hard floors  
nozzle

Unique Z-shaped air channels  
Universal fitting  
With connection adapter

FC8077/01

## Picks up big crumbs and fine dust in one go with unique Z-shaped air channels

The TriActive Z is a unique Philips innovation which allows you to vacuum big crumbs and fine dust in one stroke, without pushing the dirt. It is ideal for hard floors, and has a universal fitting thanks to the connection adapter provided.

### Unique nozzle innovation for faster cleaning

- Z-shaped air channels prevent the nozzle from pushing dirt
- Flat design to clean under low spaces
- Suitable for hard floors

### Compatible with most vacuum cleaners

- A connection adapter makes the nozzle universally fitting

# PHILIPS

## Highlights

### Z-shaped air channels

The TriActive Z has a unique Philips innovation which, unlike most standard nozzles, ensures all dirt is guided inside rather than being pushed forward. The innovation is in the Z-shaped air channels, which guide both big and small particles inside. This way you can clean more in one stroke.

### Cleans under low spaces

The nozzle has a flat design, so it can be easier for you to reach under furniture or other low spaces.

### Suitable for hard floors

The nozzle is suitable to operate on all types of hard floors like parquet, tiles or vinyl.

### Universal fitting

The nozzle is provided together with a connection adapter. Thus, it is compatible with Philips, Miele, Electrolux, AEG, Bosch, Siemens, Samsung, Rowenta, Hoover, LG, Panasonic, Zelmer models and many other vacuum cleaners with 32 or 35 mm connection.

## Specifications

### Accessory specifications

- Number of adaptors: 1
- Number of nozzles: 1

### Sustainability

- Packaging: > 90% recycled materials

### Usability

- Tube coupling: Universal, Conical

### Suitable for

- Aqua Action: FC8950 - FC8952
- Jewel: FC9050 - FC9079
- EasyLife: FC8130 - FC8139, FC8140 - FC8149
