# PHILIPS

## Highlights

### Cone-shaped beaters

Cone-shaped beaters work up to 20% faster\* — covering a larger surface area in less time and incorporating air into the batter for a smooth, fluffy texture.

### Powerful 280W motor

Powerful 280W motor

### 5 speeds + Turbo

A selection of 5 different speeds lets choose just the right setting for every task.

### Easy assembly

Beaters and dough hooks attach easily with a click you can hear so you know you've done it right.

### Lightweight

Lightweight, ergonomic design makes mixing comfortable and easy.

### Non-slip grip

Non-slip grip for easy handling

### Easy-to-attach accessories

Easy-to-attach accessories click into place

### XL controls for easy-to-change

XL controls for easy-to-change settings

### Cord clip

The cord wraps around and fixes into place with a clip for tidy storage.

### Large eject button

Release the beaters or dough hooks with one touch of the large, clear eject button.

### Easy clean-up

Smooth surfaces and dishwasher-safe accessories make for fast, easy cleaning.

### Stainless steel accessories

The mixer comes with two pairs of beaters in high-quality, dishwasher-safe stainless steel.
