- 2-Year Global Warranty for Purchase Protection

Hairclipper series 3000

Hair clipper

HC3525/15

Highlights

DuraPower

A device you can always rely on for a great look. DuraPower technology protects the motor and battery from overworking, effectively extending the clipper's lifespan.

13 Length Settings with Effortless Slide Button

Customize your hair length precisely with ease. Choose from 12 settings between 1mm to 23mm in 2mm increments. For a closer trim, simply remove the comb for a precise 0.5mm cut.

Self-sharpening stainless steel blades

Looking good has never been easier. Our hairclippers boast self-sharpening blades that are incredibly long-lasting, ensuring precision grooming from day one to year five and beyond.

Cordless & corded use

Won't get tangled up in your cordless hair clippers anymore. A single 8-hour charge offers up to 45 minutes of powerful clipping, or keep it plugged in for uninterrupted trimming.

Comfortable grip

Philips clippers feature a textured grip for easy handling, ensuring you can cut your hair with control and comfort.

Washable blades

Effortlessly clean your electric hair clippers. Just click open the head to release and clean the blades

Zero maintenance

Experience clipping power that's easy to maintain — Philips' blades never need oiling.

Built to last

A grooming product built to last: the warranty offers coverage for up to 5 years, including a 2-year standard global warranty, with an additional 3 years available upon registering the device within 90 days of purchase.

Extra adjustable beard comb

More than just a haircut. Philips hairclippers come with an adjustable beard comb that offers up to 12 length settings, ranging from 1mm to 23mm. You can achieve the perfect beard length to complement your fresh haircut, ensuring you always look your best.
