Improves gum health up to 100%

Provides superior plaque removal and exceptional clean between teeth to improve your gum health.

Guides you to follow dentist recommendations

- SmarTimer helps you meet recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Improves gum health better vs. a manual toothbrush

- Sonicare dynamic cleaning action drives fluid between teeth

Offers a customized brushing experience

- EasyStart program helps you adjust from a manual toothbrush

Provides a superior clean you can see and feel

- Angled brush head for better access to back teeth
- Better cleaning in hard-to-reach areas than a manual brush

Recommended by dental professionals world wide

- Safe on orthodontics, dental work and veneers

Highlights

Better access to back teeth

This plaque-removing toothbrush has a slim, angled brush head which provides better access to back teeth and hard-to-reach places.

Better in hard-to-reach areas

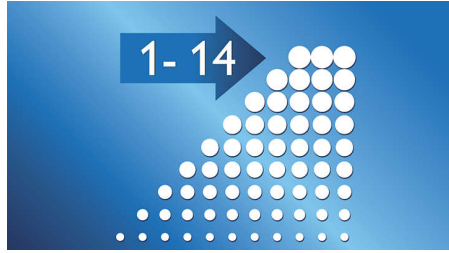

The slim, angled neck and easy-grip handle of this toothbrush helps with better cleaning in hard-to-reach areas than a manual toothbrush

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush

Quadpacer

Features a Quadpacer interval timer to help encourage thorough brushing of the entire mouth. The toothbrush beeps every 30 seconds, signifying it's time to move to another area of the mouth.

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

SmarTimer

This Philips Sonicare power toothbrush features a special SmarTimer to help you meet the dentist-recommended brushing time of two minutes
