# Highlights

### Ultra quiet

The first clipper that is really designed to reassure kids. Its smooth motor, powered by a strong lithium-ion battery, minimizes vibrations and noise to ensure a quiet, pleasant haircut. This Kids Clipper is our quietest clipper ever.

### Skin-friendly

The uniquely rounded blade and comb tips glide smoothly over the skin without scratching to give a safe, pleasant haircut every time.

### Compact and lightweight

More compact and lightweight compared to adult clippers and trimmers. Easy to move smoothly over your child's head. The 1 17/64 Inch (32mm) cutting element provides optimal control for a safe and even cut, including around the ears.

### Corded and cordless use

Use your Philips Norelco Kids Clipper corded or cordless for maximum power and freedom.

### Powerful lithium-ion battery

The clipper has a powerful lithium-ion battery that charges in 8 hours and delivers enough power for over 3 haircuts (45 minutes of running time).

### Self-sharpening blades

With self-sharpening blades that never need to be oiled, this maintenance-free clipper will save you time.

### Contour-following comb

The contour-following comb adjusts to every curve to give fast, comfortable and even results.

### 15 lock-in length settings

Two adjustable combs are integrated into the clipper for a total of 15 lock-in length settings from 1/8 to 1 3/4 inches (3 to 42mm). No hassle with multiple click-on attachments. Once selected, the guide comb locks to ensure a clean and even haircut.
