- Velvety milk foam with the Classic Milk Frother

### High comfort is part of the experience

- The fully removable brewing group can be cleaned in no time

### Advanced technology designed for coffee perfection

- 20,000 cups of finest coffee with durable ceramic grinders
- Fine-tune the coffee's richness with 5 grinder settings

 **Saeco**

# Highlights

## 5-steps adjustable grinders

When it comes to the fineness of the grind, this machine never fails to satisfy. Different coffee blends require different levels of granularity for the full flavor to unfold. So the grind granularity of this machine has five adjustable settings - from the finest grind for a full-bodied espresso, to the coarsest for a lighter coffee.

## 100% Ceramic grinders

Our grinders are made of high-tech ceramic: exceptionally hard and precise. Fresh beans are gently ground, without risk of overheating: extracting all the best flavors and aroma, delivering a superior coffee taste for at least 20,000 cups.

## Removable brewing group

Efficiency and ease of use were key inspirations when Saeco invented the first brewing group 30 years ago.

And to this day, it still proves to be an inspired, resolute piece of technology. As always, it's so simple to clean – just remove it and wash it under the tap for a few seconds, then re-insert it just as easily.

## Auto-cleaning

The automatic cleaning cycle makes it easy to look after, and it increases the machine's longevity – giving you more time to enjoy your coffee instead of cleaning up.

## Classic Milk Frother

The Classic Milk Frother is for those who love to assume the role of master craftsman, and it's just easy. Within seconds you can create a rich, silky layer of foam - the crowning glory of your coffee.

# Specifications

## Country of origin

- Made in: Europe

## Technical specifications

- Voltage: 120 V
- Cord length: 0.8 m
- Capacity bean container: 300 g
- Frequency: 60 Hz
- Capacity waste container: 15 servings
- Capacity water tank: 1.5 L
- Max. cup height: 130 mm
- Pump pressure: 15 bar
- Water boilers: 1

## Design

- Color: Black

## Weight and dimensions

- Weight of product: 8.0 kg
- Dimensions of product (WxDxH): 256 x 440 x 340 mm

## General specifications

- Suitable for: Whole coffee beans
- Cups at the same time: 2
- Ease of cleaning & maintenance: Automatic de-scaling cycle, Automatic rinse cycle, Optional Brita water filter, Dishwasher-safe parts, Removable brewing group
