Highlights

SmartClick Precision Trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your moustache and trimming your sideburns.

50 minutes of cordless shaving

Shave cordlessly for up to 50 minutes after one full battery charge.

ComfortTech blades

Self-sharpening blades provide an efficient clean shave for optimum skin comfort. The curved blade caps shield your skin from the blades, which gently cut hair just above skin level.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

Easy grip

The shaver is designed with an ergonomic grip, so each movement feels natural. The new ergonomic handle with anti-slip rubber ensures you get an effortless easy shave even when using under the shower.

One-touch open

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

1 hour charging time

Fully charge your Philips shaver in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

Advanced display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 1-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator
