## Protect skin, remove hair down there

Designed to cut hair, not skin

Philips OneBlade Intimate is designed specifically for your intimate area. It comes with a unique skin protector designed to prevent nicks, cuts or razor bumps and a click-on trimming comb if you are looking for a not so smooth finish.

### Comfortable shave

- Unique OneBlade technology

# Highlights

## Unique OneBlade technology

The Philips OneBlade has a revolutionary new technology designed to protect your skin while trimming or shaving any length of hair down there. Its dual protection system—a glide coating combined with rounded tips—makes shaving easier and comfortable. Its

shaving technology features a fast-moving cutter (200 x per second) so it's efficient — even on longer hairs.
