

PHILIPS

Xperion 6000 Line

LED work lights

User manual

Before you start

Thank you for buying the Philips LED work lights. Its high-quality LED lighting offers a powerful wide-angle light output that will let you work in your workshop, garage or any other professional environment under the best lighting conditions.

The Philips LED work lights bears the official Philips Automotive Grade Quality seal. Philips Automotive Grade Quality products are designed and developed following strict quality-control processes (including applicable ISO norms), leading to consistently high production standards.

Important

Please read this user guide carefully before using your LED work lights. This guide contains important health and safety information.
