- Fatigue index and driver alert

Crystal clear images in all driving conditions

- Vivid details with 1080p Full HD definition

Impartial evidence anytime

- Instant replay with proof stamped evidence

Designed and tested for automotive conditions

- Designed to work under tough driving conditions
- CCC/CE/FCC certified for safe installation and use

Highlights

Automatic recording

Automatic recording

As soon as you power on your vehicle, the driving recorder starts operating automatically.

Collision detection

Collision detection

In case of a collision, an emergency recording is automatically saved to secure the evidence and prevent overwriting.

Fatigue index

Fatigue index

The fatigue index shows the evolution of a driver's fatigue, and will indicate a visual and acoustic warning message when the driver should be taking a rest.

Full HD

Full HD

Capture vivid details with 1080p Full HD definition

Proof stamp

Instant replay to clarify responsibility on the spot, with proof stamped evidence, to support & speed up insurance claim process

Heat and vibration resistance

Philips automotive driving recorder is equipped with high quality components, to ensure resistance against vibrations and extreme temperature conditions.

CCC/CE/FCC certified

Philips Automotive Driving Recorder is compliant with international certifications and tested against electromagnetic interference like GPS or cell phone.

Product description

Designation: ADR610
Technology: Automotive Driving Recorder
Languages: English, Chinese, Japanese
Interface: Mini USB 2.0, HDMI, Speaker
Operating Temperature: 0 ~ 65 °C
Storage Temperature: -20 ~ 70 °C
File Format: .MOV, H.264 video compression
Fixed Lens: FOV 100° (Diagonal) wide angle
Internal Memory: 64Mb SPI Flash
Random Access Memory: 64Mx16bit (1Gbits) DDR2 SDRAM
Recording Time: 200min @16GB in full HD
Display: 2" LCD
G-sensor
Auto exposure
Auto white balance
Improved night visibility: No
LCD Auto Off
Seamless loop recording
Automatic recording
Aperture Range: F/#2.0
Collision detection
Date and time stamp
Image Sensor: 3.1 Mega-pixels CMOS
Video resolution: Full HD(1920x1080p) @30fps
Emergency file protection
Recording media (ext. Memory): Micro SD card (up to 32GB)

Packaging Data

EAN1: 6947939174027
EAN3: 6947939174034

Accessories included

Accessories: 12V cable, mounting bracket
Power cable length: 4 m
Power: 12 V car adapter

Weight and dimensions

Product dimensions (L x W x H): 72.8x 53.3x 31.34 mm
Product weight: 60 g
Box weight (incl. product): 280 g

Marketing specifications

Expected benefits: Your road safety guardian
Product highlight: with fatigue alert
