Highlights

Lasts up to 1 200 hours

The Philips MasterLife headlight bulbs feature the maximum lifetime in the market with up to 1200 hours. With a minimum failure rate our lamps keep your fleet productive and on the move by minimizing time-consuming interruptions. Philips MasterLife is the smartest choice for large fleet owners.

Up to 100% more vision

Perfect illumination is especially important in the distance. Philips MasterLife allows drivers to see farther, up to +100% more vision*, for enhanced safety and comfort.

Maximum vibration resistance

Philips MasterLife features a robust double coil filament for ultimate protection against mechanical shock and vibration.

Safe road-legal headlights

Philips MasterLife is among the safest, easiest and most efficient way to upgrade your truck or bus headlights within legal parameters. The lights are fully ECE certified.

Highest quality car lighting

Technologically advanced Philips lighting is renowned in the automotive industry, and has been for over 100 years. The Philips Original Equipment Quality products are designed and developed following strict quality control processes (including applicable ISO norms), leading to consistently high production standards. Philips MasterLife is compatible with truck and bus models of major brands. See the product selector guide for more information.
